

MINUTES OF GENERAL MEETING OF FIRA

FEBRUARY 26, 2017

President Glen Smith called the meeting to order at 4:30 p.m.

Attendance was sparse as it is winter, with many residents away. Therefore no votes can be taken, as we do not have quorum.

Glen reported that Janet Trull has offered to write a grant for the Trillium Foundation for upgrading our facilities. We need a commercial dishwasher, and perhaps other improvements for the hall. In the meantime, we are seeking a used dishwasher to tide us over until a commercial one can be purchased.

Club 200 tickets will be printed soon. Lou Skraba is building a drum for the draws. We will start selling tickets in June, with draws beginning in August.

Carrie DeFrancesco has offered to chair the Pancake Breakfast in August. We are still seeking a SummerFest chair, and perhaps redesigning SummerFest. We will discuss this at the next meeting.

Dianne Kelly reported that the quilt and other prizes are coming along. A discussion was held about sending out a book of tickets to each household, and it was agreed that we do this again.

There was no Treasurer's report, as Keith Clarkson is out of town.

Lou is concerned about the snow piling up on the ramp and by the back door. Joe DeFrancesco volunteered to come and shovel it.

Brian Kelly moved to close the meeting, seconded by Dave Wilson. We adjourned at 5:10 p.m.
